Strategic Plan for next 5 Years

Shah Narottamdas Harjivandas Commerce College Valsad Gujarat has been imparting education for last 49 years. The NAAC peerteam visited the college on the Second cycle of accreditation and the college prepared the Perspective Plan after considering the following:

1. Vision and Mission of the college
2. NAAC peer team observations and suggestions during their visit
3. Recommendations of IQAC.

❖ **Feedback received from stakeholders.**

➤ **Strengthening the Knowledge Enhancement Activities**

The college plans to strengthen the curricular, co-curricular and extra-curricular activities for the all-round development of the students. The institution also plans to start add on courses and courses related to life skills, employability skills and communication skills. Implementation of NERP-2020 has already been started before the University and Govt. of Gujarat has implemented the same. The skill Based Course already been imparted in regular activity of the College and also approved by the affiliated University. But now the institution having a plan to develop the various works shops, as well as the work places for the development of special laboratories under Research centre.

➤ **Strengthening the feedback system**

The college plans to strengthen the feedback system for different stakeholders such as students, teachers, Alumni and parents. This feedback system would help in incorporating the suggestions made by different stakeholders. The system should become regular and seriously implemented and involvement of the students expected to be increased to involve voluntarily themselves.

Projects, field work and training for practical exposure in various industrial and service industries would likely to increase for Industry –Academia Relationship. The college plans to assign projects and field work and training to students. This will provide an exposure to students to modern commercial trends and practices.

➤ **Encouragement of Research Activities:**

The faculties will be encouraged to pursue Ph.D. and are also encouraged and motivated to attend Conference/ Seminar / Workshop and FDP programs. They are also motivated to present and publish research papers in journals. The students are also given the facility of the Research Laboratory to prepare research projects.

Research Centre is likely to be sanctioned within a short period of time. LIC of University is visiting on 26th Dec. 2022. We maximum try to develop more & more Research Centre become the heart of knowledge and co ordinate the people for research activities at College.

The college plans to organize seminars/ workshops/ Panel Discussion/FDP for the faculties and students, so that the academic atmosphere of the college can be upgraded.

➤ **Strengthening of Placement Cell**

In order to improve the quality and quantity of placements, it was decided to strengthen the Placement Cell by organizing different seminars/ lectures/ guidance sessions for students and conducting more Job Fairs.

➤ **Strengthening of Women Empowerment Cell**

Looking at the strength of female students, the college plans to Strengthen Women Empowerment Cell through which the activities related to women may be implemented. Already we do the activities but regarding that more empowerment programmes would required for the women including self defense.

❖ **Strengthening infrastructure**
